

How to: **Login to Slack**

Work Tablet	
<p>1 Open Slack app</p>	 <p>A screenshot of a tablet home screen showing various app icons. The Slack app icon, which is a white circle with a colorful multi-colored logo, is circled in red. Other visible icons include Duo Mobile, Esper Settings, Docs, Zoom, Meet, SumTotal, Meraki SM, Slides, and Niko Keyboard PRO. The time 10:31 is displayed at the top left.</p>
<p>2 Select Sign In</p>	 <p>A screenshot of the Slack welcome screen. It features a green header bar, the text "Welcome to Slack" and "All your team communication in one place, instantly searchable." Below this, there are two buttons: "GET STARTED" and "SIGN IN". The "SIGN IN" button is circled in red.</p>
<p>3 Select I'll sign in manually</p>	 <p>A screenshot of the Slack sign-in options screen. It has a dark purple background. There are two buttons: "Email me a magic link" and "I'll sign in manually". The "I'll sign in manually" button is circled in red.</p>

How to: **Login to Slack**

<p>4 Type Workspace URL: ucbolac & Select Next</p>	
<p>5 Type UCB email address & Select Next</p>	
<p>6 Type Password & Select Next.</p> <p>Note: If you forgot your password, you may Reset Password by selecting that option & logging into your UCB email to reset.</p>
